

*This Garden Grows with You!*

Being created on 10 acres in Kula, The Aloha Garden of Maui is a garden paradise where children and adults can bask in nature, laugh and play, celebrate special occasions, let their imagination soar, soothe their soul, learn about gardening and sustainable living, and find unlimited fun.

Founded on the "Spirit of Aloha" and "Ohana" (family), all are invited to help bring this magical garden to life and own a piece of it with a brick purchase.

Your inscribed brick can celebrate a joyful occasion (wedding, birthday, special achievement, etc.), honor a loved one, recognize military service, or express your family's or company's support of the garden. With it, you will receive a personalized acknowledgment of your gift to the person you designate, a certificate with the brick's location in the Founders' Court when complete, an exclusive invitation to the garden's grand opening, and a listing on The Aloha Garden of Maui's website. Space in Phase 1 is limited—order your brick today and leave a Maui legacy!
